

Mr Quereshi

GRADUATE LSA

PROFILE:

Hardworking graduate with a degree in business administration. With ample experience in SEN, I am adaptable, focused and determined to help my student's succeed. My focus lies in ensuring that children balance learning with a fun environment and building confidence in their own ability. I maintain a positive atmosphere and help to plan both theory and activity-based activities to help the children learn and engage better. I use my creative skills to develop class projects that are challenging, employ a child's knowledge and are engaging at the same time. I have also been a part of the team that arranges yearly sports-based events at school.
