"TAKING THE STING OUT OF YOUR STAFFING NEEDS!"

Mr Qureshi

Graduate Learning Support Assistant

Profile:

Hardworking and ambitious graduate with experience in a variety of SEN roles. My work history has taught me a combination of different skills and enabled me to work successfully under pressure in a group or as an individual. I am a caring, inspirational and dedicated Learning Support Assistant with an excellent track-record of supporting and encouraging young people to achieve their true potential. Besides having worked with children who had a variety of learning needs, I have also been involved with numerous projects, group works and presentations from which I have gained valuable, transferable skills such as communications, time-management and prioritising workload.

Skills

- Excellent customer service & care skills
- High standard of organisational skills and techniques
- Leadership skills and team player – able to motivate others
- Computer literate in a range of IT packages
- Able to decide what steps are needed to achieve particular goals then implement these
- Excellent selling skills – Able to spot an opportunity
- Ability to allocate time in specific targets
- Work confidently with a group
