Under the Rehabilitation of Offenders Act 1974, ex-offenders are not required to disclose information about criminal convictions after a 'rehabilitation period'. These are known as 'spent convictions'. However, under the exceptions order of 1975, people working with children and in the field of education have to disclose details of spent and unspent convictions irrespective of the amount of elapsed time.

Please tick for each of the following questions, if 'Yes', please provide additional information in the comment box:

In October 2014, the Department for Education (DfE) issued an update to its Statutory Guidance "Keeping Children Safe". This update requires schools which provide care for pupils under the age of 8, to ensure that staff and volunteers working in these settings are not disqualified from doing so under the Childcare (Disqualification) Regulations 2009.

Reference: <http://www.legislation.gov.uk/uksi/2009/1547/schedule/3/made>

A person may be disqualified through:

1. Having certain orders or other restrictions placed upon them
2. Having committed certain offences
3. Living in the same household as someone who is disqualified by virtue of 1 or 2 above (this is known as disqualification by association)

You are required therefore to sign the declaration below confirming that you are not disqualified under those Regulations from working in this school.

If you fail to complete and return the form, this will be regarded as a disciplinary matter for staff, which may result in dismissal and in the case of volunteers, will mean that you can no longer work at the school.

A disqualified person is not permitted to continue to work in a setting providing care for children under age 8, unless they apply for and are granted a waiver from OFSTED.
